REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Claims 1-10 and 22 have been indicated for allowance because the prior art fails to teach the combination of a peripheral device control apparatus for realizing a function designated by the user by controlling a peripheral device including function managing means or a function managing device for executing at least one of a process to add and validate the function received by the receiving means, a process to delete and invalidate the designated function, and a process to update the function as an updating target to another designated function and validate another designated function in accordance with the instruction received the receiving means.

Claims 11-21 have been indicated for allowance because the prior art fails to teach the combination of a peripheral device control method and a computer readable storing medium which stores a program for realizing a function designated by the user by controlling a peripheral device including a function managing step of executing at least one of a process to add and validate the function received in the receiving step, a process to delete and invalidate the designated function, and a process to update the function as an updating target to another designated function and validate another designated function in accordance with the instruction received in the receiving step.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Minh H. Chau whose telephone number is (571) 272-2156. The examiner can normally be reached on M - TH 9:30AM - 8:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Judy Nguyen can be reached on (571) 272-2258. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
